PRICE LIST

Own Root, Pot Grown ROSES

ANNUAL DESCRIPTIVE CATALOGUE TO EVERYBODY ON REQUEST

2½-Inch pot Roses are thrifty young plants, with strong balls of roots and vigorous tops, suitable for lining out in nursery rows, bedding, benching growing in three-inch pots, counter sales or mailing.

5-Inch pot Roses are well-branched two-year-old bushes with extra strong balls of fibrous roots, ready for quick and substantial results for forcing, bedding, pot sales, landscape planting, etc.

For varieties of our own selection, we can supply one-year plants, \$6.00 per 100, \$50.00 per 1,000. Two-year plants, \$20.00 per 100, \$180.00 per 1,000. Please state what colors you want and we will select some choice varieties and excellent stock.

GRACE NOLL CROWELL. A Rose of our own production, the freest blooming large Rose we have yet seen. In color it is brilliant rose with petals heavily veined with vinous crimson while the base of petals is shaded primrose-yellow. The reverse of the petals are suffused with silvery tones. A feature of this Rose is the absence of deformed buds and flowers. Every bloom is perfect. A giant in growth, producing many heavy canes from base of plant. One of the finest decorative Roses yet produced.

DAVID O. DODD. A new crimson Rose with great possibilities as a bedder. A magnificent rich crimson, flushed scarlet, with well-shaped buds, carried erect and opening into a large beautifully shaped flower. Very free flowering; growth bushy and upright. We consider this fine Rose to be one of the best of its color, a great advance on all other crimson bedding varieties and certainly it is destined to become a great popular favorite. A splendid Rose with no apparent faults.

MARGARET BELLE HOUSTON. In the Margaret Belle Houston we have a Rose that possesses a rich and lasting crimson color, coupled with vigor of growth, robust constitution, and free blooming habit. The color is magnificent, rich velvety-crimson, retaining its brilliancy throughout the season. The fragrance is delightful and refreshing. The flowers are borne on long stems and keep in good condition a long time when cut. The growth is splendid, sturdy and healthy, the foliage large and abundant.

JOANNA TROUTMAN. This fine novelty is without doubt the deepest of all yellow Roses yet produced, holding its color to the very last. It is a fine grower of free-branching habit, with beautiful bronzy green foliage practically immune from mildew. Strictly ever-blooming, every shoot being crowned with a flower. Buds long and pointed, of deep copper color. Flowers, when expanded, of the richest orange yellow ever seen in a flower.

TALISMAN. The most astounding novelty in Roses produced in many a year. Its brilliant orange-red buds open to a large, fragrant, high-pointed bloom of glowing golden yellow, stained with copper-red and orange rose on the inside of the petals.

It is the most magnificently colored flower we have ever seen and arouses astonishment and admiration everywhere. The plants have proved vigorous and healthy outdoors and have withstood severe winters unprotected.

MRS. U. M. ROSE. This magnificent new Rose of our own introduction is offered this year for the first time. The buds are long and shapely, opening to perfect double flowers of a brilliant rose-pink. During cool weather its color is a rich pink which is almost a red. Vigorous habit of growth and adaptable to various climatic conditions. The flowers are fragrant and lasting.

AMERICAN BEAUTY. The glory, the charm, magnificent growth and exquisite form of flowers are simply beyond description; color, rich, glowing crimson, shaded and veined; flowers immense in size, wonderfully double and beautifully formed, with the fragrance of the old Damask Rose; growth the most vigorous of any Rose we know of; foliage large, leathery and of deepest color.

ALEXANDER HILL GRAY. Deep lemon-yellow, similar in color to Marechal Neil, more intense as the bloom expands. Large, full flowers with high pointed center and perfect form, freely produced and strongly tea perfumed. Robust, vigorous and erect. The best pure yellow Tea Rose yet offered.

ANTOINE REVOIRE. Flowers large, double and of fine form; very fragrant; color, rosy-flesh, with yellow ground, shaded with border of carmine. Strong and healthy.

AMELIA GUDE. A medium size Rose which blooms freely. The buds are long and pointed and as yellow as Mrs. Aaron Ward. The open flowers resemble Sunburst. A great improvement over either Rose in productiveness. Easy culture. Either as a bud or open flower this Rose is charmingly beautiful.

ARTHUR COOK. Bud large, long-pointed; flower very large, extremely double, very lasting; deep velvety crimson with a beautiful sheen; long stem; strong fragrance.

David O. Dodd

BESSIE BROWN. Of a distinct type in shape and color and marvelously beautiful. Erect stems; full deep blooms with enormous petals; white, flushed with pink, growing deeper toward center.

BRIDE. Pure white under glass, taking on a delicate pink tinge out of doors. Forces well and produces abundantly for cut flowers.

BRIDESMAID. Clear, shining pink; buds of exquisite shape; stems long and stiff; a profuse bloomer. A leader of pink forcing Roses since 1893, and likewise an outdoor favorite.

BRIARCLIFF. Large pointed buds and double, high centered blooms of brilliant rose pink, fragrant and long-lasting. An excellent garden Rose.

CITY OF LITTLE ROCK. A surprisingly beautiful novelty now being introduced for the first time. It is distinct, and beautiful in color, a bright rosy-pink or rose-shaded with Hydrangea-pink. The buds which open perfectly are long and of ideal form. The growth is vigorous and the flowers are produced profusely. Its pronounced fragrance will attract all Rose lovers.

CRUSADER (A Wonderful Crimson). A big strong-growing variety, robust and rugged in every characteristic. The growth is heavy and the flower stems are strong and heavy, producing very little blind wood. It is free-growing and free-flowering, and the blooms are truly characteristic of the variety—big and double, and, in color, a rich velvety crimson. These large heavily petaled blooms open perfectly and are amply supported by the strong-necked, heavy flower growths.

CHARLES K. DOUGLAS. Flaming scarlet, flushed velvety crimson, sweetly scented. Vigorous, upright grower.

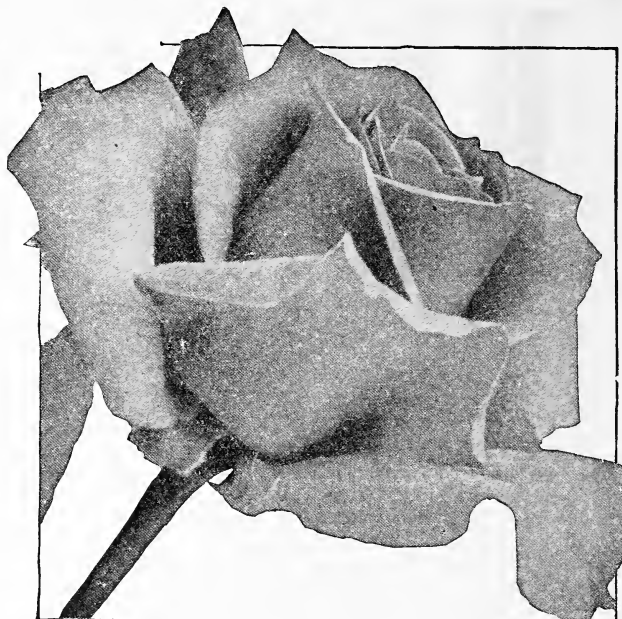

CLOTHILDE SOUPERT. The best, biggest and freest blooming of all Polyanthas. Known anywhere. Flowers borne in clusters; free, double and deliciously scented. Color white, center flushed silvery Rose. Blooms all the time. A grand pot Rose.

CYNTHIA FORD. Color a deep brilliant Rose shading on the back of the petals to a light rosy-pink. The flowers are large, full of perfect form and great substance, very free-flowering and fragrant. A strong grower with heavy foliage.

COMMONWEALTH. Bud large, long, pointed; flower large, open, double, very lasting; deep pink, solid color; continuous bloomer.

COLUMBIA. It is a very vigorous growing of a true pink shade, deepening as it opens to glowing pink. A peculiarity of this variety is that the shade all become more intense until the full maturity of the open flower.

DIXIE (Mrs. Charles Bell). Sport of Radiance, but more double. Bud large; flower large, cupped, very lasting, strong fragrance, salmon-pink. Resembles Mrs. Chas. Bell, but more double, deeper salmon, more cupped.

Commonwealth

DOUBLE PINK KILLARNEY. Strong, sturdy and upright, with fine heavy, insect-proof foliage, bearing flowers that are simply exquisite in form and color; the bud is exceedingly long and the flowers immense in size; color deep, brilliant, sparkling shell-pink; hardy everywhere. The bush is magnificent in growth, of good size and bears its beautiful burden of flowers constantly all summer.

DOUBLE WHITE KILLARNEY. An offspring of the Pink Killarney and is one of the most exquisite white Roses grown. The long, full buds are handsome in shape and the full-open flower most refined and beautiful in form and texture.

ELIZABETH ARDEN. A new English Rose introduced this year for the first time. An ideal white Rose which is almost as snow white as Druschki. The buds are large, very long-pointed, of perfect shape, composed of large heavy petals and develop into splendid full very sweetly-scented flowers.

DARDANELLE. We have much pleasure in introducing this attractive new American Rose, and can thoroughly recommend it as a dependable novelty of bright attractive color and fine free vigorous habit. Well shaped buds of cherry red, grand in size, the expanded flowers changing to a pretty shade of cherry rose, sweetly scented. Few Roses are so distinct and interesting in form, which is like a half double peony.

Jos. W. Vestal & Son

Rose Growers for Over Sixty Years

Etoile de Hollande

ETOILE DE FRANCE. Bushy plants with large, dark crimson blooms. Has long been popular and in great demand.

ETOILE DE HOLLAND. The finest dark red Rose for general purposes, having great vigor and floriferousness. Its gigantic flowers are velvety crimson and are produced with great freedom throughout the season. This is unquestionably the best and most popular red Hybrid Tea Rose in the world.

FRANCIS SCOTT KEY. Giant, wonderfully shaped, extremely double flowers of brilliant crimson. Especially fine in dry seasons and late in the autumn; very fragrant.

FRANZISCA KRUGER. Probably the best of all round bedding Roses we have. Its shadings of deep, coppery yellow stand distinct and unique.

FREDERICH VON MARSHALL. As an outdoor Rose it has no superior. It has wonderfully beautiful foliage and produces large, full, beautifully shaped flowers, which are borne in profusion all through the season. Magnificent crimson-scarlet Hybrid Tea Rose with long and pointed buds; deliciously fragrant. Wonderfully strong growing and hardy.

FRAU KARL DRUSCHKI. Very vigorous growth, with gigantic white buds and blooms. A Hybrid Perpetual, but the most popular white Rose in existence.

GENERAL McARTHUR. Vivid crimson-scarlet, the most beautiful shade of any garden or forcing

Rose offered, retaining its brilliancy when expanded to flowers of superb form, larger than Liberty or Meteor; free from mildew.

E. G. HILL. The flower is dazzling scarlet shading to a deeper pure red as it develops. It produces long stems naturally and the foliage develops freely and is of fine color. A great producer and an unusually good keeper. The bud is unsurpassed in beauty—except by the open flower, which is a wonder.

GOLDEN OPHELIA. A real golden yellow Rose without a tinge of any contrasting color, possessing the exquisite form of the original Ophelia Rose. It stands supreme as a decorative variety and produces an abundance of long, oval graceful buds, perfectly formed which rival the charming opening blossoms.

GRUSS AN TEPLITZ. A perfect sheet of dazzling crimson when in bloom.

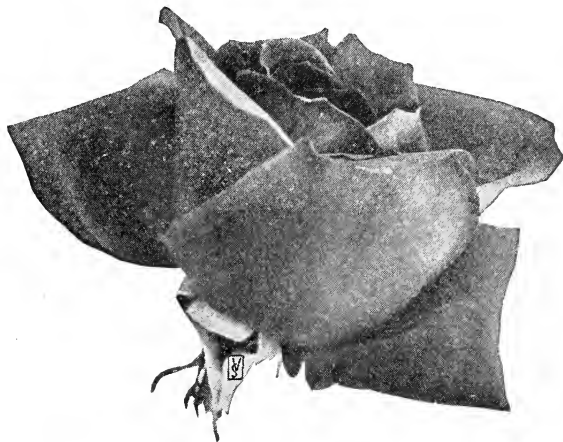

HADLEY. Deep, rich, velvety crimson, retaining its brilliancy throughout the year. Well-formed buds and large, double flowers on rapid-growing, long and stiff stems, prolific during all seasons with a fragrance excelled only by American Beauty.

HELEN GOOD. Helen Good is a genuine Cochet, being a sport from Maman Cochet. It is identical in foliage, growth, size and shape of flower, different only in color. It is a delicate pink, fully distinct from Maman Cochet.

HELEN GOULD. An incessant grower and bloomer. Long, beautiful buds and full, double flowers of warm, rosy-crimson, resembling a red ripe watermelon.

HERMOSA. Popular for many years; cup-shaped, finely formed and full flowers of soft, deep pink; ever-blooming, beautiful and hardy.

HUGONIS. A rare novelty, known as the "Golden Rose of China." Very unique, blooming once, early in the spring before all other varieties, bearing masses of single yellow flowers. Extremely hardy.

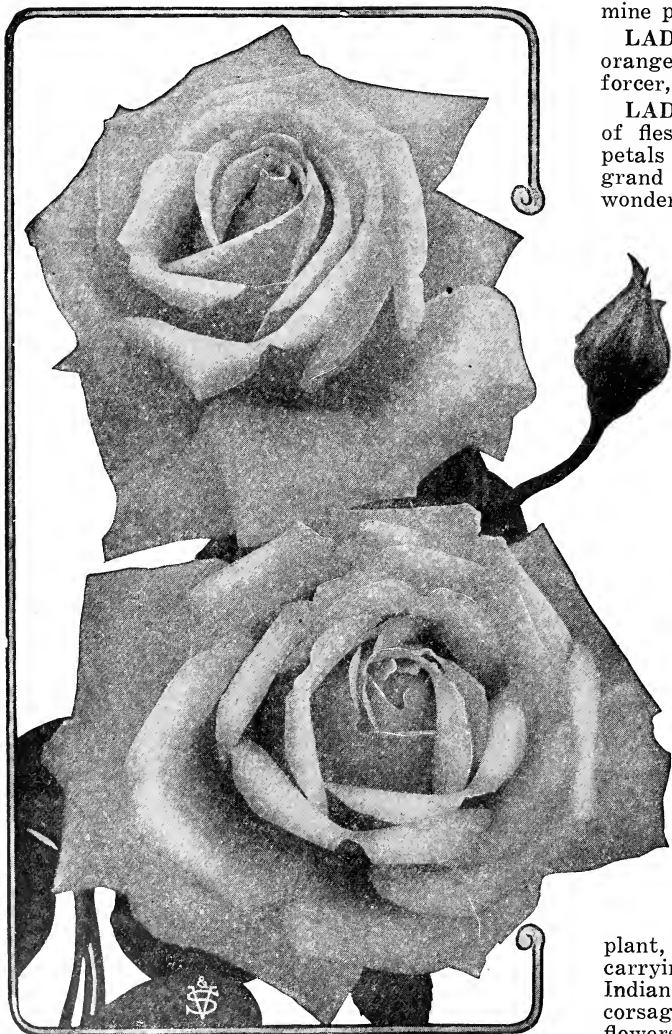

E. G. Hill

Jos. W. Vestal & Son

LITTLE ROCK, ARK.
Rose Growers for Over Sixty Years

HELENA CAMBIER. Of unusual beauty, with large, double, beautifully formed flowers, the colors are varying, ranging from salmon-rose to coppery rose; very often a handsome saffron hue. As the flowers expand, the colors become lighter. A most remarkable sort in every respect and one to which we give our highest endorsement. Good everywhere, especially in the South.

JOSEPHINE VESTAL. It might be described as salmon-flesh tinted rose, with a touch of yellow at the base. Buds of unusual attractiveness, opening full and double; unusually long and beautifully pointed with petals of wonderful depth and substance, retaining their shape longer than most Roses. The variety is of fine branching habit and ideal growth, a beautiful and most bushy Rose.

Josephine Vestal

JONKHEER J. L. MOCK. Gigantic flowers on great, erect, stiff stems. Has extraordinarily large, heavy foliage and quickly makes a great, strong bush. The flowers are enormous in size, magnificently formed, deep and double, exquisitely fragrant; color bright rich pink, faced with carmine.

JOHN C. MENSING. A most promising Rose from Holland. Bright pink shaded golden; large petals, averaging thirty to the bloom. A Rose of extreme brilliancy.

KAISERIN AUGUSTA VICTORIA. We have white Roses that have elegant buds, but when full grown are not all that is desired. This Rose combines both these good qualities. Color, a pure white.

LADY ASHTOWN. Buds long and pointed, borne single on long still stems. Color is a soft, solid carmine pink of a most pleasing shade.

LADY HILLINGDON. Deep apricot-yellow to orange; long, pointed buds; a very fine flowering forcer, and a striking decorative Rose.

LADY URSULA. Color a most beautiful shade of flesh-pink, of great substance and good form; petals large, circular and delicately perfumed. A grand grower, producing its round, full blooms in wonderful profusion.

LA FRANCE (Pink). No variety can surpass it in delicate coloring—silvery rose shades, with pink. It has a satin sheen over all its petals. It is universally regarded as the most useful of Roses, for it is hardy beyond question. It blooms continuously. The flower is large, finely built, endures for a great length of time, is exquisitely colored and fragrant in the highest degree.

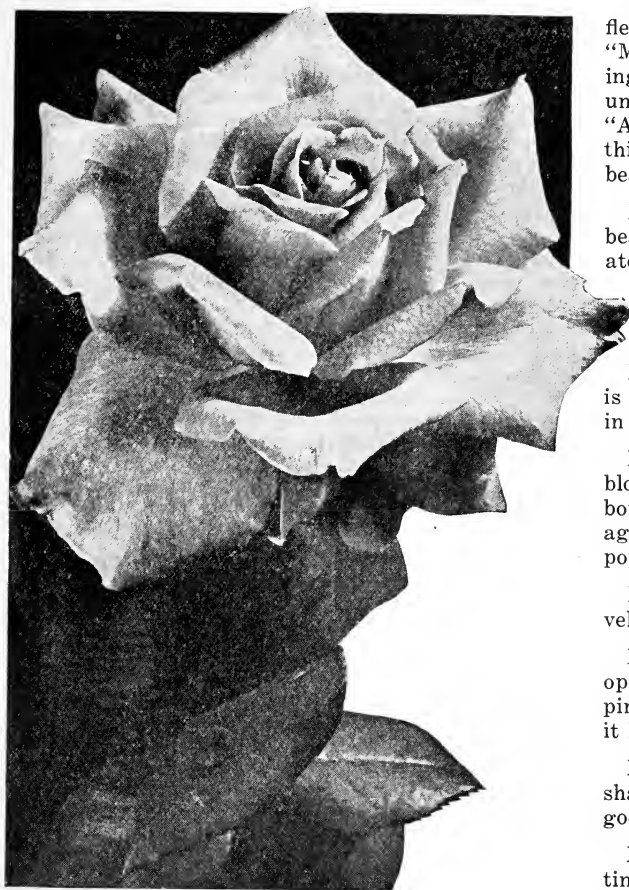

LA FRANCE (White). Large and finely formed buds and blooms having broad petals of silvery-white with very delicate pink shadings.

LAURENT CARLE. Brilliant velvety carmine, with long buds borne on long stems, opening into large flowers of perfect form and fullness. An extremely vigorous grower of erect branching habit, with splendid dark green foliage.

LORD CHARLEMONT. Clear crimson to carmine crimson. Perfectly shaped, large and full; very sweetly scented.

MABEL DREW. The color is a deep cream in the young state, to intense canary-yellow in the center as the flower develops.

MADAME BUTTERFLY. A glorified sport of Ophelia with all the colors of Ophelia intensified, making it a harmony of bright pink, apricot and gold. A free grower and bloomer with large handsome foliage free from mildew. It averages more petals to the bloom; it produces more blooms to the plant, because it makes more branches, every one carrying a bud. The buds are a lovely shade of Indian red, yellow at the base; they are unique for corsages and for low table decorations; the opening flowers are perfect in form and texture, clear and brilliant in color, and of delicious fragrance.

Margaret Belle Houston
 (See page 1)

MADAME EUGENE MARLETT. One of the greatest garden Roses, wonderfully strong growing, making a sturdy bush about four feet high, heavy leathery foliage like June Rose; large, full double crimson flowers of extraordinary beauty and exquisite fragrance.

MAD. CAROLINE TESTOUT. This is the Rose which grows so luxuriantly in the Far West that it has been adopted by the State of Oregon as its State Flower. In color, it is of a satiny rose, deepening to clear red in the center.

MAD. CHARLES WOOD. Begins to bloom almost as soon as planted, and continues all through the season; flowers extra large double, full and quite fragrant; bright fiery scarlet, passing to fire, rosy crimson shaded with maroon; showy and handsome.

MADAME MASSON. This is a glorious Rose. The flower is of the largest size. Color bright brilliant red. Blooms all summer.

MADAME SEGOND WEBER. Rosy-salmon or flesh-pink in color, of the general type and color of "My Maryland." The bud is long and pointed, opening into enormous blooms, which deepen its color until fully expanded, when it is as impressive as an "American Beauty." The texture of the Rose is very thick and heavy and the form of the petals peculiarly beautiful.

MAMAN COCHET (Pink). A most wonderfully beautiful Rose of great value. The beautiful elongated buds and full blown double flowers are exquisitely charming, while the fragrance is rich and delicious. The color is fleshy pink, with the inner side of petals silvery rose.

MAMAN COCHET (White). This superb variety is identical with its parent, Maman Cochet, except in color of flower, which is suggestion of pale blush.

METEOR. Intense velvety crimson, buds and blooms large, elegantly formed, fully double and borne on nice, long stems, with healthy, bright foliage of the deepest green. Brilliant and highly popular.

MISS C. E. VAN ROSSEN. Flowers well formed, velvety red; fragrant. Vigorous grower, bushy.

MRS. AARON WARD. Coppery orange in the open bud, golden orange when partly developed, pinkish fawn of lovely shade when fully open, when it looks like a full fluffy rosette.

MRS. B. R. CANT. A fine garden variety of even shade of bright rose, round and full, the form of a good H. P. A very free grower and free bloomer.

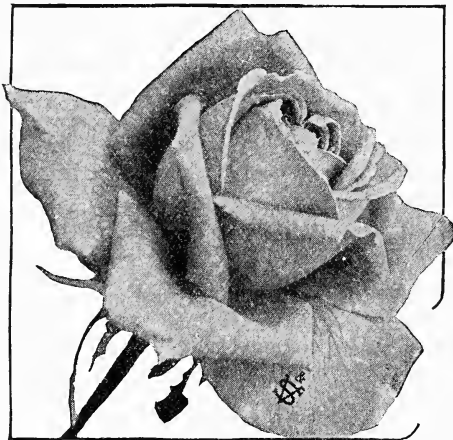

MARIE GUILLOT. This beautiful Tea Rose continues in popular favor, and still maintains its position as one of the best white Roses of its class; flowers of an unusual style, entirely double to the center; very sweet-scented.

MRS. WARREN E. LENON. Bright scarlet and vermilion double flowers of excellent form and large size, with particularly fine perfume. Extraordinary blooming qualities for a red Rose of so fine form.

MRS. MACKELLER. A deep citron or delicate pure canary color. As the large bloom gracefully expand the guard petals charmingly reflex and become pearly primrose-white of great decorative beauty.

MABEL DREW. The blooms are large and full, carried on strong and erect flower stalks. The color is a deep cream in the young state, to intense canary-yellow in the center as the flower develops. It is a hybrid Tea Rose with a deliciously refreshing perfume. The flowers are produced continuously and in great profusion. A vigorous grower with rich cedar-green foliage.

NEW COLUMBIA. An offspring of the great "Columbia," with which it is identical. The magnificent flowers, if anything, are borne in great profusion. The fragrance is even sweeter than that found in American Beauty. Color a deep silvery pink, deepening towards the center. A remarkably strong grower, hardy and a great novelty.

New Columbia

PAUL NEYRON. "Among the foremost Roses of the world." The color is clear pink, shading to rose—most beautiful in the massiveness of the blossoms. Very fragrant with mild touch of apple blossoms.

PREMIER. A magnificent new variety of large size and distinct character; very deep rose color, the broad roll of the outer petals creating most interesting lights and shadows. It is practically thornless.

QUEEN SCARLET. Very best of all red Roses for bedding. Entirely hardy. The flowers are fiery scarlet. A bed of these Roses produces a mass of red equal to a bed of Geraniums.

RADIANCE. Brilliant rose-pink buds, opening to well-formed shining flowers with lighter tints on the reverse of the petals; globular in shape and very fragrant.

RED RADIANCE. All who know that grand Rose Radiance will welcome this red form of that great favorite. Radiance is a Rose that does well everywhere, a fine grower and free bloomer, and no prettier pink Rose grown.

RAPTURE. A second generation sport of Ophelia through Butterfly. One of the big sales-houses in New York City finds that this very striking sport out-sells every other "fancy" Rose in the store—it is intensely brilliant in its vivid coloring of bright apricot, coral, rose and gold; it has more petals than its parent, and produces more blooms per plant than Butterfly.

RHEA REID. A Rose of the type of the American Beauty, but of the easiest culture. In color it

varies with the temperature, in summer a bright cherry-rose, while in winter it is a rich crimson scarlet.

ROYAL RED. A very distinct red Rose of enormous size and magnificent growth. In the bud and half open stage the coloring is magnificent, scarlet red with almost black shading. The fully expanded flower is of great size, but lighter in color. The flowers are very full.

SOUVENIR DE PIERRE NOTTING. The bloom is very large, perfectly full, of elegant form; has a beautiful long bud; the colors are very bright, distinct and clear and have no unpleasant tones—orange-yellow, bordered in carmine-rose.

SUNBURST. This magnificent giant-flowering Rose stands head and shoulders above all other Roses of its class. It is a constant blooming variety, summer. It has all the good points of merit; a fine long pointed bud; producing blooms of an especially deep color throughout the long stems; extraordinary vigorous and healthy, and belongs in the class of big Roses. The color is a beautiful orange-copper, golden orange and golden-yellow, large intense shades, and brilliant in effect.

TEMPLAR ("High Pointed Buds, Large Petals, Thoroughly Fragrant"). A comparatively new Rose, of bright velvety crimson. The flowers are quite free with petals of wonderful depth and substance; with its fine branching habit and ideal growth it makes a fine bush Rose.

VICTOR. A sweetly fragrant Rose, having fine bronzy foliage, with long, finely shaped buds. The flowers are large, full and globular, and are carried well above the foliage upon rigid and strong stems. The color is a deep rose and carmine, edges of petals carmine-like.

WELLESLEY. Bright, clear, salmon-rose, reverse of petals silvery-rose; retains the forms of Liberty and the fullness of Bridesmaid, its parents; tall, stiff canes; vigorous, healthy and free.

WILLIAM R. SMITH. Creamy-white with shading of pink; a seedling from Maman Cochet and Kaiserin Augusta Victoria; beautiful in form and colors; glossy foliage; long stiff stems; vigorous in growth; superb summer breeder.

WINSOME. A crowning masterpiece of modern times, with a hardy vigorous constitution, growing to perfection in almost any soil or situation. It has the most magnificent foliage, a continuous bloomer of deep full double flowers, the beauty of which is nothing short of superb, a deep cherry Rose. Every one wants a hardy everblooming Rose. From early summer until frost it can be depended upon to produce flowers in abundance, making it one of the best garden Roses.

WILLIAM SHEAN. Very free-blooming and distinct. The flowers are a beautiful pure pink, with delicate tinting. The flowers are of immense size and substance, and of perfect form. The plant makes a sturdy, well-formed bush that will give satisfaction anywhere.

Jos. W. Vestal & Son

LITTLE ROCK, ARK.

Rose Growers for Over Sixty Years

CLIMBING ROSES

ALIDA LOVETT. A splendid, large-flowered, light shell-pink climber, lighter than Mary Wallace and a rapid, vigorous grower, although blooming later.

AMERICAN PILLAR. Tremendous growth and glossy, permanent foliage. Flowers single, brilliant pink with a white eye, borne in clusters as large as your head. The most popular single-flowered climber.

BESS LOVETTE. Resembles Climbing American Beauty in shape of bloom, but is very much brighter in color and much more fragrant. The flowers are clear bright red, of good size and of double, full, cupped form, lasting a long time in good condition. Beautiful in bud and bloom and the most fragrant of the Climbing Roses.

BREEZE HILL. Short avid buds which develop into large, flat flowers of 50 to 60 petals, white tinted with yellow, rose and apricot shadings; flowers borne in clusters. Plant is vigorous when once established and has short, thick, dark green, glossy foliage. It is different from other hardy climbers because of its distinct color and size of blooms, which come when most climbers are passed.

MRS. ROBERT PEARY, or Climbing Kaiserin. Ivory-white, identical with the parent Kaiserin Augusta Victoria, except in its strong climbing habit.

CLIMBING COLUMBIA. It is identical with the great "Columbia," having all the parent's desirable features and in addition it is a wonderful climber. Blooming, as it does continuously, bearing blooms of immense size, often measuring six inches in diameter, this at once becomes the greatest of all pink, hardy, everblooming, climbing Rose. Color is the same as "Columbia," glowing pink, fragrance delicious.

CLIMBING AMERICAN BEAUTY. Same as its namesake in size, color and fragrance, with the addition of the climbing habit.

CLIMBING RUTH VESTAL. A strong and vigorous grower. Pure snow-white buds, and flowers are of the largest size and perfect form.

CLIMBING SUNBURST. A climbing sport of that peer of yellow Roses, Sunburst—the much-sought new French Rose. A true pillar Rose of strong growth, bearing freely; very large cadmium yellow flowers, beautiful either in bud or open flower.

CLIMBING PREMIER. The blooms are immense, often measuring 5 and 6 inches across the open flower; buds long, full and pointed. Color rich, deep rose-pink, without shadings, which is retained well, except in excessive heat. Growth is very vigorous. This Rose is a profuse bloomer, and the beauty of its blooms is seldom equaled.

Climbing Columbia

CLIMBING MAD. CAROLINE TESTOUT. Brilliant satiny Rose, deepening at center and bordered with silvery rose; immense broad petals and extremely large flowers.

CHRISTINE WRIGHT. Bright wild-rose pink; flowers double and of immense size and perfect form; blooms singly and in clusters; profuse during June and more or less throughout the season; heavy, dark green foliage, immune from disease; strong climbing habit. M'me Caroline Testout—unnamed seedling.

DR. W. VAN FLEET. Flowers when open run 4 inches and over in diameter. The center is built high, petals beautifully undulated and cupped. The color is a remarkable delicate shade of flesh-pink on the outer surface, deepening to rosy-flesh in the center.

EMILY GRAY. The most beautiful yellow climber, with large golden buds and blooms which do not fade. The foliage is glossy, pointed, and holly-like. Growth very vigorous.

REINE MARIE HENRIETTE. A strong growing and climbing Rose, making a grand pillar Rose in the South. Flowers full and well formed; rich, brilliant crimson. A grand Rose and a fine companion to Marechal Neil.

SILVER MOON. Clear silvery-white with a mass of bright yellow stamens; petals of splendid substance and beautifully cupped; exceedingly large and fragrant flowers; growth vigorous, and very free-blooming.

CHAPLIN'S PINK CLIMBER. Unquestionably the most important acquisition in climbing Roses since the introduction of Dr. Van Fleet and Paul's

Scarlet Climber, universally recognized as the most popular climbing Roses, and to which Chaplin's Pink Climber will prove an equally valuable companion. It is a cross between Paul's Scarlet and American Pillar, of strong growth, perfectly hardy, producing its large flowers, similar in size and form to Paul's Scarlet, profusely in strong trusses of from 8 to 12 flowers each, but in color a rich lively pink.

GLENN DALE. A perfectly hardy and vigorous, but not rampant, climber, with heavy dark green hybrid-tea-like foliage, resistant to black spot and mildew. The lemon-colored buds are long, beautiful, and uniform in shape, like a hybrid tea; borne in clusters of up to 20 flowers on laterals long enough for cutting. The flowers, which are slightly fragrant, open to cream-white, are fairly double and large and produced in one crop.

MARY WALLACE. The outstanding large-flowered pink climber. Very brilliant and invariably satisfactory. Growth is enormous and rapid, and the long-stemmed blooms make good cut-flowers.

PAUL'S SCARLET CLIMBER. The most popular red-flowered climber of the day. Flowers large, well-shaped, vivid scarlet-red, fading but little. Has a tendency to bloom again in the fall.

MARECHAL NEIL. Lovely lemon and golden-yellow flowers on a strong climbing plant. Suitable for mild climates only.

TAUSENDSCHON. Vigorous, thornless plant bearing large clusters of medium-sized flowers varying from creamy white to soft pink. One of the most charming and most popular climbers. Sometimes called "Thousand Beauties."

DWARF POLYANTHA ROSES

BABY DOLL OR TIPTOP. Brilliant golden yellow, tipped with clear, bright cerise; lovely miniature "sweetheart" buds and blooms of perfect form and finish, borne in erect panicles and singly; deep, glossy green foliage, narrow, long and sharply pointed; in the Brunner class for corsage and dainty floral work and of even better habit.

CATHERINE ZEIMET. This is surely a beauty. It grows to a height of 15 to 20 inches and produces double, pure white flowers in wonderful abundance.

ELLEN POULSEN. Dark, brilliant pink; large, full, sweet-scented, vigorous bushy habit, most floriferous; very fine.

EDITH CAVELL. This Baby Rambler is an ideal Rose for massing, bedding or for pot culture. The flowers, which are produced in huge clusters, are bright crimson; white eye; very beautiful.

GEORGE ELGER (Yellow Mil. Cecil Bruner). Dainty coppery golden-yellow buds opening to a deep-clear yellow; early and free, flowering in large corymbs. Erect growth; wood smooth, reddish-

green; foliage brilliant dark green, brown underneath.

GRUSS AN AACHEN. Golden-rose with shadings of red; beautifully formed, well filled flowers; splendid for massing. Dwarf Polyantha.

IDEAL. Color a rich garnet red, flowers are semi-double, comes in great heads of thirty or more, and the color is retained remarkably well until they drop. This is a new Baby Rambler, and fine for edging or for making a brilliant bed of rich, lustrous garnet, blooms continuously all summer and until frost.

MADEMOISELLE CECILE BRUNER (Mignon or Sweetheart). Rosy-pink on a rich creamy-white ground, shaded light salmon-pink. Rapidly attained popularity as a miniature flower Rose.

GOLDEN SALMON. A new distinctive Polyantha Rose with a brilliant golden orange scarlet color. Free flowering; growth vigorous and bushy. Very much admired by everyone who has seen it growing at our greenhouses.

Vestal's Lining Out Evergreens

All of our lining out Evergreens and plants are pot grown and can be planted direct to the field without any setback. In practically every variety, the cuttings were benched in the fall of 1929, potted into 2 and 2½-inch pots the following spring and placed in cold frames. They have had one full season in pots and are firmly established with excellent root systems. All of them were grown from cuttings from the very finest specimen plants, and of course, will be absolutely uniform and true to type.

BAKER'S ARBORVITAE. A tall, compact pyramidal type considerably used in the South. Bright green in color, and the inside of the plant never turns brown. 5 to 7 inches, \$10.00 per 100; 12 to 15 inches, B. & B., 75 cents each; 18 to 24 inches, B. & B., \$1.00 each.

BONITA ARBORVITAE. The most perfect broad cone-shaped Thuja we grow, seldom exceeding 5 feet in height. The foliage is a rich, dark green which remains unchanged throughout the year. Unexcelled for low plantings. 4 to 6 inches, \$10.00 per 100; 12 to 15 inches, B. & B., 75 cents each; 18 to 24 inches, B. & B., \$1.00 each; 24 to 30 inches, B. & B., \$1.50 each.

VESTAL'S DWARF GOLDEN ARBORVITAE. Very dwarf and compact, of perfectly symmetrical, conical shape. Foliage is a beautiful golden tint which it holds throughout the year. Succeeds admirably in the South. 4 to 6 inches, \$9.00 per 100; 15 to 18 inches, B. & B., 75 cents each; 18 to 24 inches, B. & B., \$1.00 each; 24 to 30 inches, B. & B., \$1.50 each.

BERCKMAN'S DWARF GOLDEN ARBORVITAE. Probably the most popular dwarf conifer grown. Compact, dwarf, globular, and deep golden in color, it makes a beautiful plant. We have the genuine strain obtained directly from Berckman in Georgia a number of years ago. 4 to 6 inches, \$12.00 per 100; 12 to 15 inches, B. & B., 75 cents each; 18 to 24 inches, B. & B., \$1.00 each; 24 to 30 inches, B. & B., \$1.50 each.

BLUE-GREEN ARBORVITAE. Similar to Rose-dale but not so fine nor compact and does not burn out like Rosedale. 4 to 6 inches, \$8.00 per 100; 15 to 18 inches, B. & B., 60 cents each; 18 to 24 inches, B. & B., \$1.00 each.

VESTAL'S PYRAMIDAL ARBORVITAE. Broad and bushy, somewhat in shape of Baker's, but good green color. Not so well known but one of the best compact Arborvitae. 6 to 8 inches, \$9.00 per 100; 18 to 24 inches, B. & B., 75 cents each; 24 to 30 inches, B. & B., \$1.00 each; 3 to 4 feet, B. & B., \$1.50 each.

JUNIPERUS CHINENSIS PFITZERIANA (Pfitters Juniper). The most useful Juniper in cultivation today. Forms an immense, broad, dense head of blue-green foliage. Thrives equally well in the hot summers of the South and the cold winters of the North. 4 to 6 inches, \$10.00 per 100; 15 to 18 inches, B. & B., 75 cents each.

JUNIPERUS HIBERNICA (Irish Juniper). A very narrow form, making a compact column attaining 6 or 8 feet in height and not more than 10 or 15 inches in diameter. Glauous green foliage. 6 to 8 inches, \$8.00 per 100; 18 to 24 inches, B. & B., 75 cents each; 2 to 3 feet, B. & B., \$1.00 each.

JUNIPERUS COMMUNIS (Common Juniper). A fast-growing, bushy, upright tree forming a broad, dense head of soft grayish-green foliage. Quite hardy. 5 to 7 inches, \$8.00 per 100.

JUNIPERUS COMMUNIS ASHFORDI. Similar to the above, but differs in that it is columnar and narrow in habit. In the South and East the best specimens are attained by shearing. 5 to 7 inches, \$8.00 per 100.

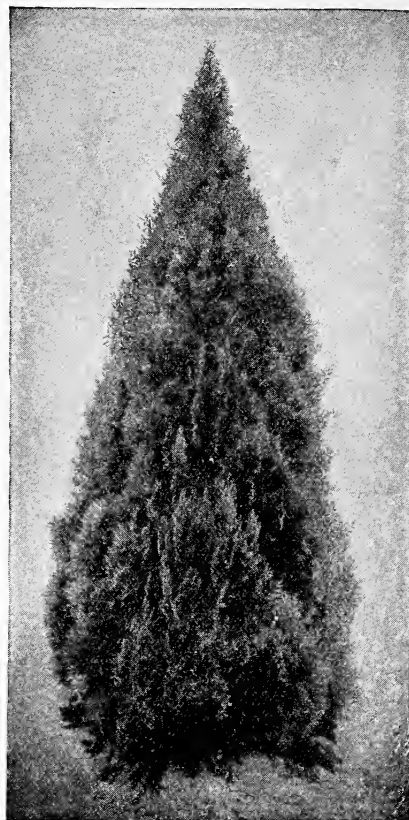

JUNIPERUS CHINENSIS PROCUMBENS (Trailing Chinese Juniper). The best known of the prostrate creeping Junipers, making a dense mat of blue-green foliage, seldom exceeding one foot in height. Extremely hardy. 3 to 5 inches, \$12.00 per 100.

JUNIPERUS EXCELSA STRICTA (Greek Juniper). A well-known dwarf variety, making a conical plant with silvery glaucous foliage. Very hardy. 3 to 5 inches, \$10.00 per 100; 12 to 15 inches, B. & B., 75 cents each; 15 to 18 inches, B. & B., \$1.00 each.

RETINOSPORA LEPTOCLADA (Andely Retinospora). Forms a compact, rounded head of feathery foliage, bright green in summer, purplish in winter. Fast growing. 5 to 7 inches, \$8.00 per 100; 12 to 15 inches, B. & B., 75 cents each; 15 to 18 inches, B. & B., \$1.00 each.

RETINOSPORA SAWARA (C. Pisifera). A hardy, rapid growing tree, the foliage of which resembles the Arborvitae. Open and tall in growth, with erect branches pendulous at tips. When sheared, the foliage develops its true color especially well. The bright green foliage is very lacy in appearance with a silvery color underneath. Makes a very attractive specimen on the lawn. 5 to 7 inches, \$7.00 per 100.

RETINOSPORA GOLDEN SAWARA (C. Pisifera Aurea). A bright golden form similar to the green form described above. An ideal type for corners in foundation planting, especially against a dark brick. Especially desirable for city planting. 5 to 7 inches, \$7.00 per 100.

Baker's Pyramidal

BROAD-LEAVED EVERGREENS

ABELIA GRANDIFLORA (Glossy Abelia). 5 to 7 inches, in 2¼-inch pots, \$5.00 per 100.

EUONYMUS JAPONICA (Evergreen Euonymus). 5 to 7 inches, \$6.00 per 100.

EUONYMUS ARGENTAE (Silver Leaf). 5 to 7 inches, \$8.00 per 100.

EUONYMUS AUREA (Golden Leaf). 5 to 7 inches, \$8.00 per 100.

EUONYMUS PULCHELUS (Dwarf Box Euonymus). 3 to 4 inches, \$5.00 per 100.

LIGUSTRUM LUCIDUM (Wax Leaf Privet). 4 to 6 inches, \$6.00 per 100.

MAGNOLIA GRANDIFLORA (S). 6 to 8 inches, in 2½-inch pots, \$8.00 per 100; 6 to 8 inches from beds, \$5.00 per 100.

NANDINA DOMESTICA (S). 6 to 8 inches, in 3-inch pots, \$12.00 per 100.

SANTOLINA (Cotton Lavender). 4 to 6 inches, \$5.00 per 100.

GREENHOUSE PLANTS

A general assortment of plants for all purposes. Decorative, Bedding or Greenhouse Stock. All plants priced, when sizes are not mentioned, are from 2-inch pots. Not less than six of any variety sold at dozen rates, and not less than twenty-five sold at one hundred rates.

ACALPHAS

ACALPHA TRICOLOR. Rich and beautiful. Mottled and blotched with crimson and scarlet on green background. Foliage extra large and maintains its markings regardless of summer heat. Price, 75 cents per dozen; \$5.00 per 100.

ACALPHA SANDERII (Chenille Plant). They are curiosities well worth showing in your greenhouse, and nicely flowered plants; added to a decoration of palms is very effective. Price, \$1.00 per dozen; \$6.00 per 100.

ACHYRANTHUS

Price, 60 cents per dozen; \$4.00 per 100.

Ranks with Coleus as a bedder, but more hardy. Retains its brilliant coloring all the season.

BRILLIANTISSIMA. Leaves and stems of a beautiful ruby red. Splendid for bedding.

McNALLY. Golden yellow, veined green.

EMERSONII. Leaves of glittering garnet, reverse side purple wine-color. Veins and stems carmine.

AGERATUM

BLUE PERFECTION. As necessary to your bedding stock as Coleus or Geraniums. Dwarf in growth, true blue and always in bloom. \$4.00 per 100; 60 cents per dozen.

ANTHERICUM

COMOSLUM. A pretty variegated plant, well adapted for use in hanging baskets, or as an edging for porch or window boxes, with graceful, 4 to 6 inches long, deep green foliage with a band of creamy yellow through the center. Price, per dozen, \$1.00; \$8.00 per 100.

ANTIGONON LEPTOPUS

THE QUEEN'S WREATH. A lovely climber from Central Mexico, with beautiful rose-colored flowers in racemes two feet long. The profusion of bloom is such as to give the resemblance of Roses at a distance. Described by the discoverer as the most beautiful climber he ever beheld. Price, 2-year Roots, \$2.00 per dozen; \$12.00 per 100.

ARTEMISIA, SILVER KING

A Plant of Rare Beauty for Landscape or Use with Cut Flowers

This Artemisia is one of such rare beauty and so valuable for various purposes that a description can hardly do it full justice.

For landscape effect from early summer until late winter, it is a most outstanding plant. Its bright silver colored stems and foliage blend harmoniously with other foliage or blooming plants and its rich

striking beauty in form and color is first to attract attention regardless of its surroundings. Price, 2½-inch pot, \$1.25 per dozen; \$8.00 per 100.

BRAZILIAN PLUME PLANT

JUSTICIA CARNEA. This plant is a native of Brazil and of the easiest possible culture, and it seems to do equally well in all kinds of soil, and in any situation, requiring but very little attention. It is a strong, rapid grower, and throws long shoots, each of which is tipped with the beautiful pink, plume-like flowers, the ends of every petal drooping in a most charming manner. This new sort begins to bloom when the plant has only three or four leaves and is never out of flowers afterward. Price, \$1.25 per dozen; \$8.00 per 100.

RED BRAZILIAN PLUME PLANT

JUSTICIA SANGUINEA. The same plant in every way as the Pink Plume Plant, except that the flowers are a deep cerise pink. Price, \$1.50 per dozen; \$12.00 per 100.

Brazilian Plume Plant

ALTERNANTHERAS

Price, 50 cents per dozen; \$4.00 per 100.

AUREA NANA. It is admirably adapted for ribbon lines, carpet bedding, or massing front lines in foliage beds. It is of compact growth. Color of foliage, bright golden yellow.

BRILLIANTISSIMA. Crimson, scarlet and pink. Its gorgeous color gives it the name of "Rainbow Plant."

PARYONCHOIDES MAJOR. It is the Alternanthera so largely used in all ornamental carpet gardening. It grows only about six inches high, and can be kept much shorter by shearing it. The color is as bright when first planted as at any other time, and this kept constantly. The color is brightest carmine.

CHOICEST FLOWERING BEGONIAS

Price from 2½-inch Pots, \$1.00 per dozen;
 \$8.00 per hundred (except where noted)

ARGENTEA GUTTATA. It has purple bronze leaves, oblong in shape, with silvery markings, and is in every way a most beautiful Begonia. Produces white flowers in bunches on ends or growth stems.

ALBA PICTA ROSEA. This is a seedling of the Alba Picta crossed with Rubra. Foliage rich green, spotted with white; flowers on long, pendant stems, similar to Rubra. Color, delicate rose; very free flowering.

MARGUERITE. Leaves a bronzy green, somewhat resembling Metalica, but giving a more bushy form. Light rose colored flowers.

M. DE LESSEPS. It is beautifully spotted with silver. A very strong, free growing variety that will succeed with ordinary care. White flowers.

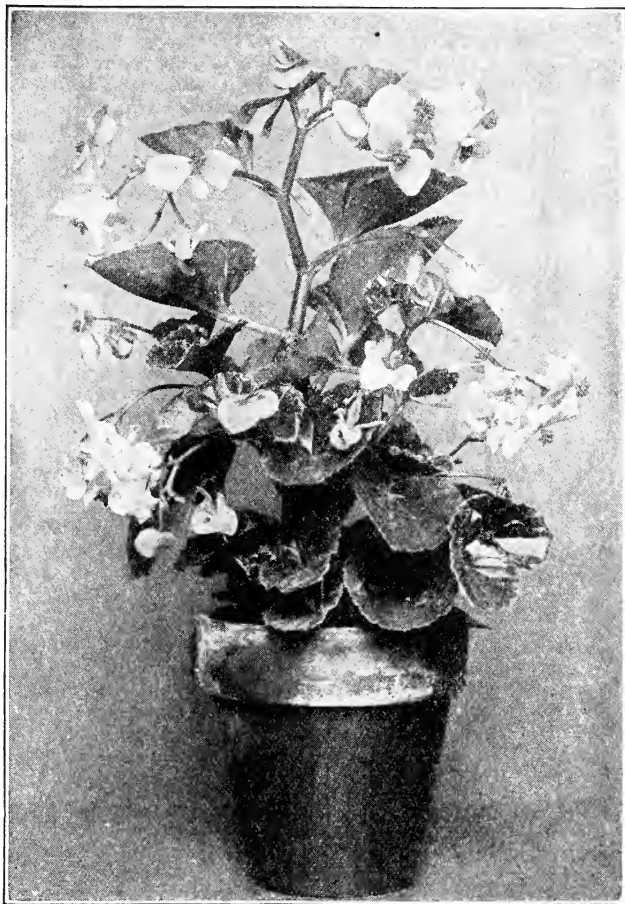

RED RUBRA. This Begonia is still a great favorite. The flowers are a rich coral red, hanging in large pendant clusters; these, combined with the rich green foliage, make it one of the best plants for house culture.

PINK RUBRA. We doubt if there is a pink flowered variety that equals it. The foliage resembles Rubra in shape, but is a lighter green, while the flower panicles are much handsomer. It is a pure pink flowering Begonia.

THURSTONII. A distinct and pretty shrubby variety, with thick, heavy foliage, which is of a rich metallic green above and bright red underneath; the flowers are a fine pink, rising well above foliage.

BEEFSTEAK BEGONIA. Sometimes called the "Strawberry Leaf" Geranium; very ornamental; leaves silver top, red underneath; very pretty flowers.

CORALINE LUCERNE. A superb new variety of the Coral Begonia, producing gigantic trusses of bronzy red flowers and flowering continuously from April to November. The foliage is dotted with silvery white. Blooms last from a month to six weeks, and are borne in immense clusters, almost hiding the plant. The color is bright coral-red, changing to delicate pink. Price, \$1.50 per dozen; \$12.00 per 100.

Gracilis Luminosa

GRACILIS LUMINOSA (Red and Pink). Best pot and bedding plants on the market. (Always in bloom.) Have proven themselves to be very fine bedding plants as well as pot plants. Price, \$1.00 per dozen; \$6.00 per 100.

BOUGAINVILLEA

CRIMSON LAKE. This is one of the most notable vining plant introductions of years. Its numerous clustered, crinkly, paper-like bells in their emerald setting, are an incomparably brilliant crimson lake color. Extra strong plants from 2½-inch pots, \$3.00 per dozen; \$20.00 per 100.

SANDERIANA. Large bell-shaped flowers of lilac-rose borne profusely in terminal clusters all over the plant; blooms when quite small. 2½-inch pots; \$1.50 per dozen; \$12.00 per 100.

BRUGMANSIA

ANGEL'S TRUMPET. It grows easily, blooms freely and the flower is something to be proud of. The Brugmansia blooms indoors in winter and in the garden in summer. The plants have large, tropical leaves, with blooms 8 inches wide at the mouth, resembling a trumpet, hence the name, "Angel's Trumpet." Pure white in color and as fragrant as a Jasmine. Extra strong plants. \$2.00 per dozen.

CALADIUM ARBOREUM

This noble plant while young resembles the well known Caladium Esculentum, but grows to gigantic dimensions as it attains age, and while the latter dies down annually at the bulb, this grows into a stem or trunk which retains the foliage through the winter if kept in conservatory or sitting room. Plants, under good cultivation, frequently attain eight to twelve feet in height. Bulbs 2 to 3 inches in diameter, 30 cents each; \$3.00 per dozen.

CAMPANULA

BLUE BELLS OF SCOTLAND. This is the true hare-bell, or blue-bell, framed in song and story, with beautiful clear blue flowers from June to August. Price, \$1.00 per dozen; \$8.00 per 100.

CATNIP

Leaves and young shoots are used for seasoning. Also used as a mild nerve for infants. From 2½-inch pots, \$1.00 per dozen; \$6.00 per 100.

CARNATIONS

\$1.25 per dozen; \$8.00 per 100.

BETTY LOU. Brilliant pink, long stems, large flowers; an excellent keeper.

SPECTRUM. A good commercial red with no serious faults.

MRS. WARD. Still one of the best dark pinks. A good shipper and keeper.

MATCHLESS. Still the best standard white with most of the growers.

CESTRUM PARQUI

NIGHT BLOOMING JASMINE. A beautiful tender shrub of easy cultivation, producing beautiful white flowers in clusters, and in the greatest profusion; overwhelmingly sweet at night. Price, 75 cents per dozen; \$5.00 per 100.

CESTRUM DIURNUM

DAY BLOOMING JASMINE. A handsome quick growing evergreen shrub, producing quantities of sweet-scented white flowers, valuable for cut flower work. Price, 75 cents per dozen; \$5.00 per 100.

CONFEDERATE JASMINE

This makes an excellent hard wooded climber, or can be trained to bush form. It bears large bunches of pure white flowers with the most delicate Jasmine perfume. Price, 2½-inch pots, \$1.25 per dozen; \$8.00 per 100.

Coleus C. W. Schmidt

BRILLIANT BEDDING COLEUS

Price, 60 cents per dozen; \$4.00 per hundred.

Coleus represents more colors in their variegation than any other plant. Whether grown as single specimens or in masses or ribbon lines they are equally attractive. They are of the easiest culture and well adapted to our climate, flourishing in the hottest sun.

TRAILING QUEEN. Elegant fringed leaves blending from pink to crimson, finely scalloped edges. The plant is half trailing or running and is well adapted for window boxes, baskets or vases. Price, 60 cents per dozen; \$4.00 per 100.

CHRISTMAS GEM. Leaves immense, 8 to 12 inches long. Looks like a Rex Begonia, and just as beautiful. Cannot be excelled as a pot plant. The name aptly describes the appearance of this variety, which belong to giant-leaved section; of strong, vigorous habit, growing from two to three feet high, with leaves often nine to ten inches long, which are of bright carmine, shading off to a deep maroon, the margin being yellow and green, the whole leaf having a rich velvety luster. Price, \$1.00 per dozen; \$6.00 per 100.

NEW COLEUS DEFIANCE. Poinsettia color with gold edge. This grand variety will supplant Winter Gem, to be grown as specimens for store trade. Price, 75 cents per dozen; \$5.00 per 100.

C. W. SCHMIDT. Improved Setting Sun; center crimson-velvet, edged and spotted gold; very fine for potting in 4 and 5-inch pots; finest offered in the Coleus line. Price, 75 cents per dozen; \$5.00 per 100.

RAINBOW. Has all the good qualities of Christmas Gem, but an improvement in the way of shadings, while center of leaf is wine color, with broad margin heavily spotted deep maroon. Price, 75 cents per dozen; \$5.00 per 100.

COREOPSIS

LANCEOLATA GRANDIFLORA. Superior to original form in early blooming, size of flowers, and brilliancy of color; equally free. Price, \$1.00 per dozen; \$8.00 per 100.

CUPHEA

PLATYCENTRA (Cigar Plant). Scarlet pendulous flowers; neat, compact habit; constant bloomer. Price, 60 cents per dozen; \$4.00 per 100.

CYPERUS

UMBRELLA PLANT. Can easily be grown in a bowl or dish half filled with rich soil, then filled with water. Price, \$1.00 per dozen; \$8.00 per 100.

DIGITALIS

FOXGLOVE. Purple, pink, white; early flowering hardy perennial plants, succeeding under almost all conditions and with but trifling attention will give a wealth of flowers during July and August. They embrace a wide range of color from pure white to deep pink; three feet high. Price, \$1.00 per dozen; \$8.00 per 100.

DAISIES

SHASTA. In growth the plants are strong as the common field Daisy, very tall, well balanced, with fine cut foliage and huge white flowers borne in profusion, on long stiff stems. The flowers are pure white with gold center, petals very long and center soft and velvety. It is a very pretty plant and one of the novelties that has come to stay. Price, 75 cents per dozen; \$5.00 per 100.

TRIUMPH (May Flowering). Pure white flowers with broad petals. This new type is one of the largest flowered, and is a splendid cut flower variety. Price, 75 cents per dozen; \$5.00 per 100.

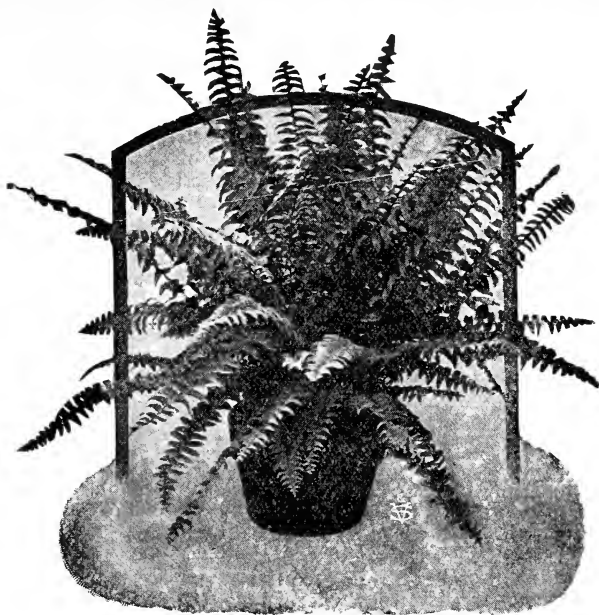

MICHAELMAS DAISIES (Hardy Asters). The Michaelmas Daisies are a very useful and attractive family of perfectly hardy perennials, largely used by landscapes to provide masses of foliage and bloom, throughout the fall; flowers the size of a half dollar, compact, a bright Ageratum-blue, with small but conspicuous center of maroon and yellow. Price, \$1.25 per dozen; \$8.00 per 100.

ASPARAGUS PLUMOSA

The most valuable evergreen trailing plants of the house and conservatory ever introduced. Their beautiful sprays of lovely, feathery foliage can be cut freely for bouquets, etc. Price, 2½-inch pot, 75 cents per dozen; \$5.00 per 100. Price, 3-inch pot, \$1.00 per dozen; \$8.00 per 100; 4-inch, \$2.00 per dozen; \$15.00 per 100.

ASPARAGUS SPRENGERI

The fronds are long and wiry, and for flat bouquets nothing equals it, for, while fleecy in appearance, in reality it is very stiff and forms an elegant support for flowers. Price, 2½-inch stock, 75 cents per dozen; \$5.00 per 100; 3-inch, \$1.00 per dozen; \$8.00 per 100; 4-inch, \$2.00 per dozen; \$15.00 per 100.

Boston Fern

FERNS

Price, 2½-inch pots, \$1.00 per dozen; \$8.00 per 100;
 3-inch pots, \$1.50 per dozen; \$12.00 per 100;
 4-inch pots, \$3.00 per dozen; \$20.00 per 100.

THE BOSTON FERN. This popular Fern has proved one of the best decorative plants of recent introduction. The fronds are much larger than the Sword Fern, and do not stand so stiff, but droop gracefully. Excellent for making large specimen plants, also for hanging baskets.

WHITMANII (Ostrich Plume Fern). More of a dwarf habit than the Boston Fern. The fronds are of entirely different nature. Each frond is subdivided on the order of the Compacta Fern, thus producing a very beautiful effect. Its decorative ability is excellent.

SPLENDIDA. This is the most wonderful Fern of them all. It combines the good qualities of the four most popular sorts. It has the grace of a "Boston," the wavy effect of a "Roosevelt," the fluffy effect of an "Ostrich Plume," and the uniqueness of the "Fish Tail."

NORWOOD FERN. A dwarf compact form of Whitmanii, carrying its fronds stiff and erect on wiry stems that do not break down. Makes ideal specimens. Called by some florists Fluffy Ruffles Fern. Very showy.

NEPHROLEPIS SPARROWII. A true sport of the Neph. Superbissima (or Fluffy Ruffles) Fern. It has the dark green foliage of its parent, which with beautiful crested fronds, makes it a most unique, distinct and desirable Fern.

CANNAS

APRICOT. The color is a buff-yellow base over-spread with salmon pink. Price, \$1.00 per dozen; \$6.00 per 100.

AMBASSADOR (Bronze-Leaved President). The brilliant rich cherry red flowers are of immense size, growth very vigorous and massive, foliage and stalks bronze. Price, \$1.00 per dozen; \$6.00 per 100.

CITY OF PORTLAND. The finest all round pink Canna to date. The color is a deep glowing pink that does not fade. Price, \$1.00 per dozen; \$6.00 per 100.

CUPID. The lively fascinating shade of pale lilac rose is remarkably attractive. Very dwarf. Price, \$1.00 per dozen; \$6.00 per 100.

DRAGON. An incessant bloomer which keeps sending up new bloomstalks until cut down by frost. Dark ox-blood red. Price, 75 cents per dozen, \$4.00 per 100.

ENCHANTRESS. The color on opening is a delicate old rose passing to very delicate rosy salmon. Price, \$1.00 per dozen; \$6.00 per 100.

FIERY CROSS. Large, fine flowers, color vivid crimson, shading to scarlet. Price, \$1.00 per dozen; \$6.00 per 100.

FANAL. Rich crimson, flowered Canna. A splendid dwarf, compact grower. Price, 60 cents per dozen; \$4.00 per 100.

KING HUMBERT. Immense dark bronze foliage with great heads of orange scarlet flowers striped crimson. Price, 75 cents per dozen; \$4.00 per 100.

LOUISIANA. The flowers are more than 7 inches across, and every inch a vivid scarlet. Price, 60 cents per dozen; \$3.00 per 100.

MRS. ANTOINE WINTZER. Color a pure warm unshaded yellow throughout. This is without question, the loveliest pure yellow Canna yet introduced. Price, \$1.00 per dozen; \$6.00 per 100.

NOKOMIS. Large vivid crimson flowers with a rich silky sheen on the petals. Bronze foliage. Price, \$1.00 per dozen; \$6.00 per 100.

PRESIDENT. The best red variety yet introduced. Produces immense heads of glowing crimson flowers. Price, \$1.00 per dozen; \$6.00 per 100.

PALM BEACH. Broad long petaled flowers of maize yellow, with a faint blush of pearly pink. The throat and lower petal are soft buff yellow, shaded apricot producing a harmony of delicate shaded. Price, \$3.00 per dozen; \$20.00 per 100.

RICHARD WALLACE. Canary yellow, the largest and best of its color. Price, 60 cents per dozen; \$3.00 per 100.

WILMER ATKINSON. Flower is purest buttercup yellow. Price, \$1.00 per dozen; \$6.00 per 100.

YELLOW KING HUMBERT. A sport from the bronze foliage variety of the same name, but with blooms of yellow, dotted with red, green foliage. Price, 75 cents per dozen; \$4.00 per 100.

Hibiscus Peachblow

HIBISCUS

BRILLIANTISSIMA. The largest flowered of all the single varieties. Color a brilliant scarlet, flushed with orange, the base of petal stained deep crimson; an extra fine variety. Price, 2-inch pots, \$1.25 per dozen; \$10.00 per 100; 3-inch pots, \$2.00 per dozen; \$15.00 per 100; 4-inch pots, \$3.50 per dozen.

PEACHBLOW. The flowers are double and from four to five inches in diameter; of a charming, rich, clear pink color. Price, 2-inch pots, \$1.00 per dozen; \$7.00 per 100; 3-inch pots, \$1.50 per dozen; \$12.00 per 100; 4-inch pots, \$3.00 per dozen.

LAMBERTI. Flowers enormous, extra-double; clear crimson, tinted with violet. Probably the largest flowers in the Hibiscus Chinensis family. An unusually free bloomer. 2-inch pots, \$1.50 per dozen; \$10.00 per 100; 3-inch pots, \$2.00 per dozen; \$15.00 per 100; 4-inch pots, \$3.00 per dozen.

HIBISCUS—MALLO

HARDY WHITE HIBISCUS (White Mallow). Tall, free-flowering, perfectly hardy; color white, deep crimson center.

HARDY PINK HIBISCUS (Pink Mallow). Similar to the hardy white Hibiscus, but the flower is of a clear even pink, very striking.

HARDY CRIMSON HIBISCUS (Crimson Mallow). Immense striking deep crimson flowers; nothing with as much merit has been introduced in recent years. Price, \$1.50 per dozen; \$10.00 per 100.

FUCHSIAS

Price, 75 cents per dozen; \$5.00 per 100.

BLACK PRINCE.

GLOIRE de MARCHES.

IRVINGS GIANT.

SPECIOSA.

FIGUS

FIGUS PUMILA. (F. repens.) (Climbing Fig.) An evergreen climber with small, bright green leaves. This is an excellent plant for covering walls, rock and rustic work. Makes a dense, dark green covering. In protected situations the vine is hardy in Southern Arkansas. Price, 2½-inch pots, \$1.50 per dozen; \$12.00 per 100.

GAILLARDIA GRANDIFLORA

BLANKET FLOWER. Flowers large, brightly colored and of perfect form. Blooms from June till October or November. Center of flower deep maroon, with petals of orange, crimson and red shaded into rings of color. Grows two feet high; one of the best for cutting. 75 cents per dozen; \$6.00 per 100.

GERANIUMS

Our selection of both double and single varieties. \$1.00 per dozen; \$6.00 per 100; \$50.00 per 1,000.

ROSE-SCENTED GERANIUM. Price, 75 cents per dozen; \$5.00 per 100.

APPLE-SCENTED GERANIUM. Price, \$10.00 per 100; \$1.50 per dozen.

IVY-LEAVED GERANIUMS. Nothing more desirable for baskets, vases or for any trailing or climbing plant utility. Red, pink and white. Price, \$1.00 per dozen; \$6.00 per 100.

THE STRAWBERRY GERANIUM. One of the handsomest plants imaginable, a gem of many colors, exceedingly rare and beautiful. Leaves nearly round and striped freely with silver bands—blossoms white, of great beauty and borne in spikes nearly twelve inches high; of easiest growth. Adapted for hanging baskets, vases, etc., will stand neglect and mistreatment and grow very rapidly either in sunny places or shade. Price, 75 cents per dozen; \$6.00 per 100.

GLECHOMA

VARIEGATED GROUND IVY. The foliage is a bright green, marked with pure white and has a refreshing fragrance similar to mint. Graceful and beautiful for hanging baskets. A general favorite with all of our customers, as there is a continued and steady demand for it. Entirely hardy when planted out and makes an ornamental, dense mat on the ground. Price, 75 cents per dozen; \$5.00 per 100.

GLADIOLI

American hybrids in superfine mixture, giving a good range of colors. \$3.00 per 100.

DUSTY MILLER

Almost too well known for a description. This is the old Dusty Miller used for edging beds of Coleus, Geraniums, Cannas, etc. Leaves silvery white. Price, 50 cents per dozen; \$4.00 per 100.

FEVERFEW (Little Gem)

This variety surpasses the old variety in every respect. It is very dwarf, growing only from 8 to 12 inches high. The flowers are larger and of more perfect form, and of the purest white and of free flowering habit, the plant being perfectly loaded with bloom. Price, 75 cents per dozen; \$5.00 per 100.

GOLDEN GLOW

DOUBLE RUDBECKIA. Bears immense masses of large, round, golden yellow flowers for weeks. Price, 75 cents per dozen; \$5.00 per 100.

RUDBECKIA PURPUREA

(**GIANT PURPLE CONE-FLOWER**). Flowers about 4 inches across, of a peculiar reddish purple with a remarkably large, cone-shaped center of brown; forms bushy plants 3 feet high, and blooms from July to October. Price, \$1.00 per dozen; \$7.00 per 100.

GYNURA AURANTIACA

VELVET PLANT. Velvet Plant seems an appropriate name, the leaves being always taken as artificial. They and the stems are entirely covered with purple hairs; shining, glistening, reflecting many new colors. Price, \$1.00 per dozen; \$6.00 per 100.

HELIOTROPES

ALBATROSS. Large panicles of pure white flowers in great profusion all season. The best white variety to date.

LAVENDER QUEEN. Very large trusses of a beautiful shade of lavender suffused with rosy mauve.

ROYAL PURPLE. Color deep violet purple with white eye. Price, 75 cents per dozen; \$6.00 per 100.

HYDRANGEAS (French)

2½-inch pots, \$1.00 per dozen; \$8.00 per 100.

General De Vibraye. Dependable pink; very popular.

Mad. Choutard. Pretty bright rose; a fine variety to convert to blue.

E. G. Hill. Reliable early large pink.

President Fallieres. Very delicate rose.

Mad. Augusta Nonin. Very large early pink.

Radiant. Large clusters of rosy amber changing to bright pink. Quite a distinct color and very beautiful.

Mousseline. Mauve-rose with cream colored center. Often comes darker.

Otaska. A well-known favorite plant producing large heads of pink flowers in great profusion.

HOLLYHOCK

Double. Its long spikes of short-stemmed rose flowers are particularly well suited to plant against the wall or fence, or in the background of a hardy perennial border. Four best colors, yellow, crimson, maroon and pink. Price, \$1.25 per dozen; \$8.00 per 100.

IVIES

ENGLISH IVY. Hardy Evergreen Ivy for covering walls and foundations. Price, 2½-inch pots, 75 cents per dozen; \$5.00 per 100.

PARLOR IVY. A lovely climber for the house or window; grows very quickly and makes an abundance of pretty green foliage. Price, 75 cents per dozen; \$4.00 per 100.

LANTANAS

The Best and Newest Varieties.

Price, 75 cents per dozen; \$5.50 per 100.

A. COOK. Dwarf; opens orange and yellow; changes to bright rose; a free bloomer; foliage and florets small; very pretty.

ALBA PERFECTA. Pure white. A gem among white bedders.

JAVOTTE. Center bright yellow; light border; very free bloomer; a good variety.

SUNSET. Plant vigorous but compact in growth; flower at first opening is deep orange red, changing to deep vivid crimson, very fine and brightest Lantana we have.

RADIATION. Opens orange yellow, changing to brilliant red florets; very large; a good bloomer, showing both colors until in full bloom.

JACOB SCHULTZ. Bright golden yellow of immense size, changing to orange and yellow, with brilliant red center.

PINK BEAUTY. Covered with flowers of silvery rose with center of soft yellow; a beautiful contrast.

GOLDEN PLUME. Magnificent pure golden yellow.

VIOLET KING. The buds and umbels extra large, of light yellow and pink; opens yellow and golden center, and as they open changing to pink and orange. When about one-half in full bloom the first florets change to a beautiful violet maroon shade and show all of those colors until in full bloom.

WEeping LANTANA

This plant is of very rapid growth and graceful drooping habit, with lovely dark green foliage, producing a cluster of flowers at each leaf. The flowers are a most delicate, clear, brilliant, rosy-lilac color. Price, 75 cents per dozen; \$5.00 per 100.

IMPATIENS

Mixed Colors. Charming plants for the decoration of the conservatory or window. Price, 75 cents per dozen; \$5.00 per 100.

SILVER-LEAFED IMPATIENS. An outstanding novelty, rich deep pink blossoms of a distinct and

Lantana Golden Plume

beautiful shade. Foliage beautifully edged with a narrow border of snow white. Price, 2½-inch pots, \$1.00 per dozen; \$6.00 per 100.

LAVENDER

The leaves are sometimes used for seasoning, but the plant is chiefly grown for its flowers, which are used in the making of perfumes. Price, \$1.00 per dozen; \$7.00 per 100.

MANETTIA VINE

The most beautiful and desirable of all vines. Can be grown in house or garden. In the house it can be trained about a window, forming a wreath of the most brilliant bloom both summer and winter. Flowers of a most intense scarlet, shading into flame, tipped with bright golden yellow. Price, \$1.00 per dozen; \$6.00 per 100.

MARGUERITES

MRS. F. SANDERS. 75 cents per dozen; \$6.00 per 100.

MESEMBRIANTHUM

A dense rapid-growing, trailing plant, with succulent leaves and stems and small pink flowers. Very useful for hanging baskets, window boxes, rockeries, etc. Stands the heat, dust, drought and wind better than almost any other vine. Price, 60 cents per dozen; \$4.00 per 100.

PHILADENDRON REPEUS (Variegated)

The Wonder Vine from 3-inch pots, \$1.50 per dozen; \$12.00 per 100.

We cannot say too much in praise on the value of this vine for use in fern dishes, wall pockets, baskets or any place where anything else will not thrive. It is by far the best plant for use in the home as under-watering, over-watering or any adverse conditions will little affect it.

RUSSELIA ELEGANTISSIMA

Especially adapted for hanging baskets, vases or window boxes. The plant is literally covered with brilliant, coral-red flowers. Well grown plants, three to four feet in diameter, looks like a shower of delicate coral blossoms. Price, 75 cents per dozen; \$6.00 per 100.

ROSEMARY

A popular herb. The aromatic leaves are used for seasoning soups. Price, \$1.00 per dozen; \$7.00 per 100.

SAGE—HOLT'S MAMMOTH

Price, 75 cents per dozen; \$5.00 per 100.

SNAPDRAGONS

ANTIRRHINUM. \$1.00 per dozen; \$6.00 per 100.

SANTOLINA (Cotton Lavender)

CHAMAECYPARISSUS INCANA. A dwarf ever-green perennial with attractive, silvery-white foliage; useful as a rock or border plant, and largely used for carpet bedding. 2½-inch pots, 75 cents per dozen; \$5.00 per 100.

SALVIA

FIREBALL. Grand New Salvia. Retains its brightness and profusion of bloom as well in July and August as in September and October. Its height is about 18 to 24 inches. Price, 60 cents per dozen; \$4.00 per 100.

SWEET WILLIAM

Plants are of extreme richness and diversity of color. They have greatly improved of late years. Price, \$1.25 per dozen; \$8.00 per 100.

THYME

Used for seasoning. Price, \$1.50 per dozen.

THUNBERGIA

(Black-eyed Susans) Beautiful rapid growing climbers. Flowers white cream yellow and orange with black eye. Price, 75 cents per dozen; \$5.00 per 100.

TUBE ROSES

THE PEARL (Double). Price, \$4.00 per 100.

MEXICAN EVERBLOOMING. Price, \$3.00 per 100.

The Wonder Vine

TRADESCANTIA

WANDERING JEW (Three Varieties). Price, 60 cents per dozen; \$4.00 per 100.

VIOLETS

CALIFORNIA. 75 cents per dozen; \$5.00 per 100.

VINCA VARIEGATED

VARIEGATED LEAVES. An elegant, low growing, trailing vine; bright, glossy, green leaves, widely bordered with creamy white; extra nice for pots, vases, baskets, window boxes and rockeries; good everywhere; always wanted. Price, 75 cents per dozen; \$5.00 per 100.

HARDY GRASSES

EULALIA JAPONICA ZEBRINA. Leaves crossed every two or three inches by a band of yellow half an inch wide. Price, \$1.50 per dozen.

GRACILLIMA UNIVITTATA (Japan Rush). Narrow green leaves with a silvery white midrib, perfectly hardy. \$1.50 per dozen.

EULALIA JAPONICA VARIEGATA. Long narrow leaves, striped with green and white. \$1.50 per dozen.

RIBBON GRASS. Height, 1 to 2 ft. Narrow green leaves striped lengthwise with creamy white. \$1.50 per dozen.

MADAGASCAR PERIWINKLE OR VINCA

This is a most attractive plant, blooming the entire summer season, forming a handsome shrub two feet in height and diameter. Color, rose, white, and white with crimson center. Price, 75 cents per dozen; \$5.00 per 100.

MINT

English Mint, \$1.00 per dozen; \$8.00 per 100.

MOONVINES

NOCTIFLORA. The standard white Moonvine. Price, 75 cents per dozen; \$5.00 per 100.

MONEYWORT

A beautiful trailing vine with small green leaves, suitable for hanging baskets, vases or covering graves. Price, 75 cents per dozen; \$5.00 per 100.

CYNOGLOSSOM

FORGET-ME-NOT. A variety that is hardly ever out of flower; useful in a shady spot in the border. \$1.25 per dozen; \$8.00 per 100.

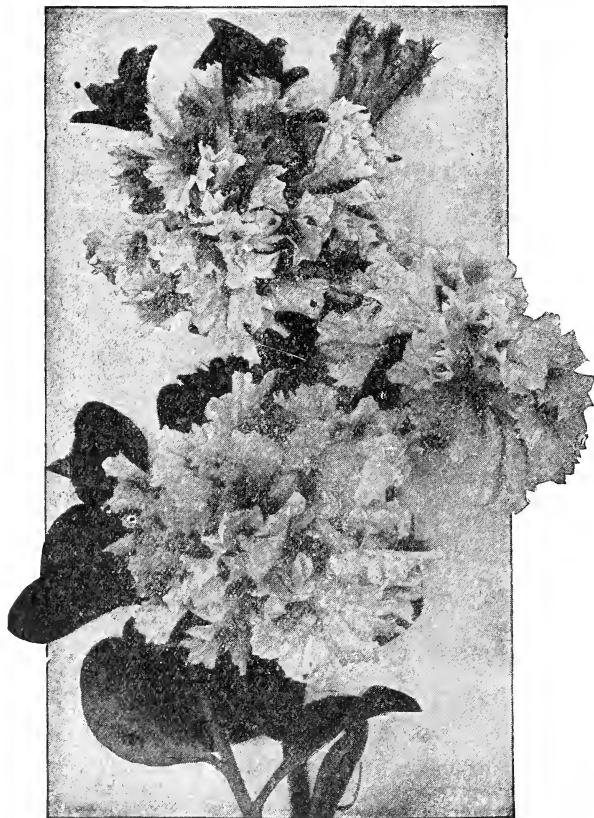

OLD-FASHIONED GARDEN PEONIES

Price, 30 cents each; \$3.00 per dozen; \$22.00 per 100.

ROSEA. Deep cerise-pink.

ALBA. Pure white, large flower.

RUBRA. Deep crimson; early.

Giant Double Petunias

PETUNIAS

DOUBLE PETUNIAS (Cutting Grown). Best double varieties of white, pink, purple and variegated. 75 cents per dozen; \$5.00 per 100.

DOUBLE ROSY MORN (Cutting Grown). This is of the new dwarf growing type, producing flowers of a most beautiful shade of pink, continuous blooming from early in summer until freezing weather. Price, 75 cents per dozen; \$5.00 per 100.

SINGLE ROSY MORN. Dwarf, bushy plants, bearing in great profusion brilliant rose-colored flowers with a white throat; excellent for window boxes. Price, 60 cents per dozen; \$4.00 per 100.

SINGLE PETUNIAS. White, pink, purple and red. 60 cents per dozen; \$4.00 per 100.

ROYAL PURPLE. A large flowering, rich velvety, purple violet variety. 75 cents per dozen; \$5.00 per 100.

DIENER'S MONSTER FRILLED. Price, 3-inch pots, \$1.00 per dozen; \$6.00 per 100.

THREE SPLENDID OLEANDERS

Price, \$1.00 per dozen; \$7.00 per 100.

Nothing nicer for porch or lawn decoration. Give good rich soil and plenty of moisture during growing season. May be wintered over in any cellar where it does not freeze.

MADONNA GRANDIFLORA. Large-flowered double white.

ROSE QUEEN. Flowers double and rose-colored.

SINGLE RED. Bright red flowers.

PARSLEY PLANTS

MOSS CURLED. A compact finely curled variety that never fails to give good results. Price, 2½-inch pots, \$1.00 per dozen; \$6.00 per 100.

PARROT'S FEATHER

A fine plant for hanging aquariums. Price, \$1.00 per dozen; \$8.00 per 100.

POINSETTIA PULCHERRIMA

Price, \$1.50 per dozen; \$12.00 per 100.

PINKS

Hardy sorts, 75 cents per dozen; \$6.00 per 100.

PLUMBAGOS

CAPENSIS. A well known favorite. Sky blue flowers. Price, 75 cents per dozen; \$6.00 per 100.

PILEA ARBOREA

Price, 75 cents per dozen; \$4.00 per 100.

ARTILLERY PLANT. A pretty little plant of drooping, graceful habit and fern-like foliage, literally covered with very small, pretty flowers, giving the plant a pleasing effect; fine for basket or pot plant.

PILEA VICTORY (New). Same as above variety except it has a more compact foliage and much wider fronds. Will make a beautiful specimen plant to grow in house.

PYRETHRUM

(Painted Daisy). A colorful garden show from June on throughout the summer and also a charming cut flower with long slender stems. The flower construction varies from a full petaled anemone or Marguerite shape, to a larger size in plain single. Mixed shades of red, pink, etc. 3-inch pot plants, \$1.50 per dozen; \$10.00 per 100.

VERBENAS

Cutting Grown. 75 cents per dozen; \$5.00 per 100.

BEAUTY OF OXFORD. Large trusses and florets of deep cerise pink.

DEFIANCE. Brilliant scarlet red flowers. Free-blooming.

PINK OXFORD. Beautiful columbia pink. The best of the light pink shades.

SEA FOAM. Large trusses of pure white flowers.

BLUE GIANT. Beautiful dark blue free-flowing.

RUBY. Large flowers of rich crimson with a darkened eye.

PACHYSANDRA (Japanese Spurge)

One of the best ground covering plants, particularly valuable in shade, averaging 6 to 8 inches in height and branching freely into a dense mat. Its shapely, indented foliage is practically evergreen; thick, rubbery, lustrous dark green. Price, strong 3-inch pot plants, \$1.25 per dozen; \$8.00 per 100.

VESTAL'S OWN ROOT ROSES

*V*ESTAL ROSES are famous the country over. Nowhere else can you find Roses as hardy, vigorous, full of life and as fragrant as here at Vestal's greenhouses. For over sixty years the Rose has been our leading specialty, each year growing over one-half million Rose plants for southern gardens. Many of these famous southern Rose gardens are planted exclusively with Vestal Roses; this alone is your assurance that our Rose plants will give you complete satisfaction.

COMMONWEALTH

Bud large, long, pointed; flower large, double, very lasting; deep pink, solid color; continuous bloomer. One-year plants, \$8.00 per hundred; two-year plants from 5-inch pots, \$4.00 per dozen; \$25.00 per hundred.

LADY HILLINGDON

Not a new Rose but still one of the best deep yellow Roses. Color is a bright apricot yellow varying to orange. One-year plants, \$7.00 per hundred; two-year plants from 5-inch pots, \$4.00 per dozen; \$25.00 per hundred.

DAVID O. DODD

Magnificent rich crimson, free-flowering and fragrant. One-year plants, \$8.00 per hundred; two-year plants from 5-inch pots, \$4.00 per dozen; \$30.00 per hundred.

BRIARCLIFF

Large pointed buds and double high centered blooms of brilliant rose pink, fragrant and long-lasting. An excellent garden Rose. One-year plants, \$8.00 per hundred; two-year plants from 5-inch pots, \$4.00 per dozen; \$25.00 per hundred.
